Due to heightened security measures, Eglin AFB has changed their base access procedures. All persons gaining access to Eglin Air Force Base (EAFB) and materials are subject to search upon request by Security Forces (SF) personnel (ARRIVE EARLY). EAFB is a Federal installation and all Federal regulations apply as well as state and local laws.

As such contraband items are not authorized on federal properties to include: firearms, open or concealed; knives with blades in excess of 3 inches in length; or any possible weapons of any type; explosives, ammunition, incendiaries or fireworks of any type; and no illegal drugs or drug paraphernalia. In addition, limit backpacks or large hand carried items to minimally necessary.
